

MD Orthotic & Prosthetic Labs, Inc. Warranty Policies and Procedures

- ✓ **Most devices or their components have a manufacturers warranty .**
- ✓ **Custom devices (TLSO, AFO, etc.) are warranted for 90 days from date of initial fitting.**
- ✓ **All devices that require modification, repair, or replacement are evaluated on an individual basis.**
- ✓ **If the device is deemed necessary to be changed/replaced by our practitioner, or after consultation with the physician, the MD Labs will rectify the situation at no additional charge to the patient.**
- ✓ **If a device is provided that is not as prescribed, modification or replacement is made at no cost to the patient.**
